RESOLUTION NUMBER. 2012-05

AUTHORIZATION FOR THE VILLAGE OF SOUTH BLOOMFIELD TO PICK UP THE STATUTORILY REQUIRED CONTRIBUTION TO THE OHIO PUBLIC EMPLOYEES RETIREMENT SYSTEM FOR THE EMPLOYEES OF THE VILLAGE PURSUANT TO INTERNAL REVENUE CODE SECTION 414(H)(2).

WHEREAS, pursuant to federal and Ohio laws, the employees of the Village of South Bloomfield could defer the federal and state income taxes on a portion of their wages or salaries if the Village of South Bloomfield would "pick up" (assume and pay) the statutorily required contribution by such elected officials and covered employees to Ohio Public Employees Retirement System (OPERS); and WHEREAS, the Village of South Bloomfield will not incur any additional costs in the deferment of federal and state income taxes.

NOW THEREFORE BE IT ORDAINED BY THE VILLAGE OF SOUTH BLOOMFIELD OHIO, THAT:

SECTION 1: Effective July 17, 2012 the full amount of the statutorily required contributions to OPERS shall be withheld from the gross pay of each person within any of the classes established in Section 2 herein and shall be "picked up" (assumed and paid to OPERS) by the Village of South Bloomfield. This "pick up" by the Village of South Bloomfield's, and shall be designated as, public employee contributions and shall be in lieu of contributions to OPERS by each person within any of the classes established in Section 2 herein. No person subject to this "pick up" shall have the option of choosing to receive the statutorily required contribution to OPERS directly instead of having it "picked up" by the Village of South Bloomfield or of being excluded from the "pick up". The Village of South Bloomfield shall, in reporting and making remittance to OPERS report that the public employees contribution for each person subject to this "pick up" has been made as provided by the statute.

SECTION 2: The 100% "pick up" by the Village of South Bloomfield provided by this ordinance shall apply to all persons that:

Are employees of the Village of South Bloomfield who are or become contributing members of OPERS.

SECTION 3: The Village's method of payment of salary to employees who are participants in OPERS is hereby modified as follows, in order to provide for a salary reduction pick-up of employee contributions to OPERS.

SECTION 4: The total salary for each employee shall be the salary otherwise payable under the Village policies. Such total salary of each employee shall be payable by the Village in two parts: (a) deferred salary and (b) cash salary. An employee's deferred salary shall be equal to that percentage of that employee's total salary which is required from time to time by OPERS to be paid as an employee contribution by that employee, and shall be paid by the Village to OPERS on behalf of that employee as a pick-up and in lieu of the OPERS employee contribution otherwise payable by that employee. An employee's cash salary shall be equal to that employee's total salary less the amount of the pick-up for that employee, and shall be payable, subject to applicable payroll deductions, to that employee. The Village shall compute and remit its employer contributions to OPERS based upon an employee's total salary. The total combined expenditures of the Village for such employees' total salaries payable under applicable village policies and the pick-up provisions of this Resolution shall not be greater than the amounts it would have paid for those items had this provision not been in effect.

SECTION 5: The Treasurer and/or the Clerk are hereby authorized and directed to implement the provisions of this Ordinance to institute the "pick up" of the statutorily required contributions to OPERS for those persons reflected in Section 2 herein so as to enable them to obtain the result in federal and state tax deferments and other benefits.
